This musical masterpiece is a mixed collection of unique urban Christian songs perfectly arranged for Children's Voices ages 13 and under. Kingdom Kids has powerful tunes with urban contemporary beats and it also features one of a kind arrangements of traditional gospel, spirituals, worshipful ballads, and a unique version of a famous Christmas song with an African twist. The CD features several songs with the masterful vocal arranging of Lannie Spann McBride, Grammy nominated songwriter for the Mississippi Children's Mass Choir.
