2 <http://www.allencathedral.org/allen/index.htm>

3 www.myspbc.org

4 <http://www.luft.com.br/>

5 www.worldchangers.org

6 http://www.tdjakes.com/site/PageServer?pagename=ms1_splash

Most of them have multiple banners, multiple videos

HERE IS A DESCRIPTION OF WHAT I WANT IN MY REDESIGNED WEBSITE

Here is an example of what I want for my redesigned website

http://www.bestofjoomla.com/index2.php?option=com_bestoftemplate&task=demo&no_html=1&id=2403

- 1 Multiple image tabs with a text description and “Read More” tab on the left
- 2 Updates Tab (rename it “News”) scroll through various text links that lead to new information
- 3 Tabs in the middle of the page (called RokTwittie)
 - this section has multiple subsections with an image, a brief summary, and a “More” tab
 - I would like this section to have multiple videos to view if possible (look at “tabbed content” at the bottom of the page)
- 4 click on “tutorials tab at the top of the page.
 - I also want a section with multiple banners with a tab to “download” the flyer or information.
- 5 I want a secure password login section. This will take users to another secure section of the website with
 - a Video tutorials
 - b quizzes
 - c polls
 - d Downloadable documents (microsoft word and pdf files)
 - e

6 I have a blog hbrotha.wordpress.com (it is already connected to myyouthchoir.com)

- a. *I want the blog to look exactly like this blog:*
